

Edition/dates	Focus	Building engineering		
		Expert article	Products and objects	Digital
January PD: 05.01.2021 AD: 08.12.2020 CD: 11.12.2020	Prospects: What next after 2020? Impacts and opportunities of the crisis, current situation, reflections, future scenarios	Resources and recycling	Innovations Fire protection and sound insulation Interior fittings: partition walls, wall design, coverings, floors, ceilings	Digitalisation in construction
February PD: 02.02.2021 AD: 08.01.2021 CD: 15.01.2021	Fresh: young architects, studying and the new generation, starting a career successfully in difficult circumstances, fresh ideas and concepts	Daylight and artificial light	Building elements: windows, doors, gates Wall construction: solid, concrete, wood, steel	Digital photography and film in construction
March PD: 02.03.2021 AD: 05.02.2021 CD: 12.02.2021	International: situation abroad, architecture export and import in the coronavirus era, international competitions, international teams, networking	Bathrooms and sanitation	Serial construction: system and modular construction Flooring: floor coverings and constructions	Construction software innovations
April PD: 01.04.2021 AD: 09.03.2021 CD: 15.03.2021	Fantastic: favourite places and discoveries of readers – architecture and building culture in Germany that has to be seen	Offices and acoustics	Roof: cladding, sealing, fall prevention, chimneys, constructions Thermal insulation: facades, internal insulation and roof	Digital work in offices and on building sites
May PD: 03.05.2021 AD: 06.04.2021 CD: 13.04.2021	Sustainable: planning, building, converting and operating that is sustainable and inclusive from an ecological, social, energy and economic perspective	Air conditioning and ventilation	Bathrooms and sanitation: furnishings, fittings, installations Heating and air-conditioning technology, ventilation Facades: paints, plasters, cladding, fixings, drainage	Tender management systems
June PD: 01.06.2021 AD: 06.05.2021 CD: 13.05.2021	Cultural: new construction and renovation of cultural sites, subculture, leisure culture in the new norm, work culture in architect's offices	Outdoor space	Smart building: systems for connected buildings Interior design: partition walls, wall design, cladding, floors, ceilings, acoustics	Digital formats for architects
July PD: 01.07.2021 AD: 08.06.2021 CD: 14.06.2021	Cities and mobility: cities worth living in, inner city and retail, current developments, renovation regulations, discussions on density, inclusion, contemporary mobility for cities and country	Barrier-free construction	Office furnishings: furniture, chairs, acoustics, light Waterproofing Serial construction: system and modular construction	BIM Building Information Modelling
August PD: 03.08.2021 AD: 12.07.2021 CD: 15.07.2021	Housing: future concepts, detached houses – new construction and requalification for the next generation, urban terraced houses, affordable living space, home and office	Sustainable building protection	Fire protection in construction: doors, insulation, feed-throughs, glazing, smoke extraction Sun protection: inside and outside	Digital office fittings
September PD: 01.09.2021 AD: 10.08.2021 CD: 13.08.2021	Research: current research results on the situation, research building construction project, material research, architects conducting research	Colour and space	Building shell: glass, steel, metal, bricks, stone, ceramics, concrete, wood Light: lighting, daylight, sending signals through light Building elements: windows, doors, gates	CAD systems and BIM
October PD: 01.10.2021 AD: 08.09.2021 CD: 14.09.2021	Healthy: healthy internal and external spaces, exemplary health buildings, healthy and hygienic construction	Safety and facades	Roof: cladding, insulation, sealing, chimneys, constructions Outdoor space: street furniture, shading, drainage, area and path reinforcement, outside lighting	Project management software
November PD: 02.11.2021 AD: 08.10.2021 CD: 14.10.2021	Big: big projects, big supporting structures, big architect's offices, big tasks	Energy-efficient construction	Bathrooms and sanitation: furnishings, fittings, installations, partition walls, tiles, drainage Building security: access control, burglar protection	BIM Building Information Modelling
December PD: 01.12.2021 AD: 08.11.2021 CD: 15.11.2021	Night: building for good nights – hotels and their future, interior design, clubs, nightlife and its challenges, lighting	Room design and interior fittings	Facades: paints, plasters, cladding, constructions, fixings, drainage, insulation, wood HVAC: heating and air-conditioning technology, ventilation	Digital planning highlights
